Part B: (i) Paragraph (50%)

I was amazed because the special effects were even better than those in the other Harry Potter films. I also thought the actor was fantastic in this film.

I was never bored because the plot was so exciting and amusing. I love the animation too.

I really enjoyed Shrek. Donkey was hilarious - he made me laugh so much. I was also moved because the film was a love story.

(ii) Learn by Heart (10%)

Choose either one for recitation.

1. Although Johnny faces a lot of difficulties, he doesn't give up.
2. I couldn't stop laughing because the characters were interesting and funny.
