‘Charlie and the Chocolate Factory’ is a story about a boy who loves eating chocolate bars. His name is Charlie. Charlie and four other lucky children win a tour to visit the chocolate factory which belongs to Willy Wonka. However, some strange things happen to them during their adventure. In the end, Mr Wonka gives a very special prize to Charlie - the keys to the chocolate factory.

I like the story because the plot was very exciting. I was amused because the characters were funny. My favourite character was Mr Wonka because his inventions were very interesting. If I were Mr Wonka, I would make an ice cream which tastes of popcorn.
