9. timid	10. heavy	11. smooth	12. rough
13. fierce	14. reply	15. continue	16. suggest

Part B: (i) Paragraph (50%)

Once upon a time, a knight got a letter from a princess who was locked in a tower on a faraway island. She wanted him to save her. The knight set off to the tower. Strange things happened when he reached the island.

First he met a fierce dragon. He fought the dragon and killed it. After that he walked for two days. He became weak and hungry.

Finally he arrived at the tower but the princess wasn't there! Another knight came and saved the princess an hour before.

(ii) Learn by Heart (10%) Choose either one for recitation.

1. From then on, Ada became confident and eager to explore new things.

2. The prince and the princess lived happily ever after.
