Part B: (i) Paragraph (40% @3%)

A child can be an inventor. Recently, a primary school student, David invented a 'cool cap'. It has pockets for ice. David said, 'I get hot when I run around. My cap is used for staying cool and comfortable.'

If you have an idea, don't be afraid to try it out. Use things that you can find at home. The first television was made of cardboard, strings and metal needles. It was very different from today's televisions, but it was a start. Take that step today!

(ii) Learn by Heart (20% @3%)

1. A paper clip is used for keeping notes neat and tidy.
2. I am looking forward to seeing you soon.
