7. waste paper	8. throw away	9. energy
10. leave the tap on	11. turn off	12. instead of

Part B (i) Reading passage (40 marks)

People do many things which are bad for the environment. If we want to save our earth, we must remember the 3R rules.

Reduce: first, we must stop using too much water. Second, we must stop buying clothes that we don't need. Third, we should donate old clothes and shoes to people in poor places.

Recycle: we can put newspapers, bottles and tins into the recycle bins. Don't use too many disposable products every day.

Reuse: we can reuse plastic bags when we go shopping.

Part B (ii) Learn by Heart (20%)

1. We can reuse plastic bottles to refill with water.
2. Roadworks make so much noise and cause noise pollution.
