Part B (i) Reading passage (40 marks)

How to protect our environment? We must remember the 3R rules.

First, we must reduce using too much water. Don't buy too much clothes and donate old clothes and shoes to poor places.

We can put newspapers, bottles and tins into the recycle bins. Don't use too many disposable products every day.

Part B (ii) Learn by Heart (20%)

1. We should turn off the lights when we leave the classrooms.
2. Roadworks cause noise pollution.
